## Sponsors Welcome!

The winter months are harsh times for the homeless. PRPIS brings people together to lend support in helping those who are unable to help themselves.

In the past years Pep Rally for Peace in the Streets has held a fall Hat, Coat, Boot, Blanket, & Food Drive" that focuses on the needs of homeless, and needy families in the Washington Metropolitan area in today's economic times.

For 2020 we have had to suspend our public gatherings to help avoid the spread of COVID-19.

This Winter of 2020 we are instead working to directly support the homeless children and needy families with a Winter Kid COVID-19 Survival Back Pac that contains essential and optional items to better survive the COVID-19 Pandemic during the Winter of 2020.

The Kit COVID-19 Pac contains 12 essential kits (some with optional items) to enable the homeless children, and needy families of the DMV to safely outlast the COVID-19 Pandemic.

PRPIS is looking for others to help make this Kid COVID-19 Pac available to all who want one. To that end, we are seeking a sponsors for each of the 12 essential Kits (with optional items). The cost for the essential Kid COVID-19 Pac is \$45 and with the optional items brings the over all cost to \$112. We are planning to start with 250 Kid COVID-19 Pac's with the ultimate goal of 2,000.
